

Café Gumba Gumba

Café Gumba Gumba is a uniquely South African group consisting of female vocals, three percussionists and keyboardist. The band play a variety of traditional South African, light background, easy listening and fresh café lounge music. Certain songs performed are accompanied by digitally remastered back tracks, but most of the repertoire consists of songs performed live.

The various types of traditional instruments used in their performance are an organic mix of the Conga Drums, Djembe drums, Cajon drums, Timbalis, bongo, Chimes & Shakers, Triangles, Cabasa, Traditional African drums, Can Can and the Uhadi.
